## **Experience an actual class of the Goldman Sachs 10,000 Small Businesses Initiative.**

To create a high growth company business owners need the mindset, tools and resources iconic CEOs use every day to take their corporations to the next level. Achieving high growth is a choice. Once the decision is made a new set of skills, focus and discipline is required to deliver and sustain high growth. This session allows business owners to test drive a sample class of the internationally renowned Goldman Sachs 10,000 Small Businesses program. Warren Buffet, Chairman of the board of the program says, "Business owners are provided with best in class business management education coupled with business support services and access to capital positions companies to go to the next level."

During this session, you'll get to identify your most pressing barriers to growth in your business. You'll also come away with practical hands on action steps, new tools and resources, and a plan to put into motion to effect change immediately in your organization. Come learn if the Goldman Sachs 10,000 Small Businesses Initiative is the next step in your business' development.
